

Australian Comprehensive
Cancer Network

ACCN Innovations Showcase 2025 Program

Arrival: tea, coffee and networking
Optional: Tour of Peter MacCallum Cancer Centre

Welcome Session

- Welcome and housekeeping
- The vision and growth of the ACCN – supporting the implementation of the Australian Cancer Plan

Session 1: ACCN member initiatives

To highlight ACCN member initiatives to improve equity for Aboriginal and Torres Strait Islander people

- Improving Aboriginal and Torres Strait Islander cancer outcomes by implementing collaboration and co-design
- Strengthening partnerships between cancer services and Aboriginal community-controlled services
- Regional collaboration for face to face culturally sensitive cancer care
- Bridging Cultures: Indigenous Health Practices

Morning tea & networking

Session 2: Lift, Shift and Tailor

To highlight established initiatives and good practice that showcase networking and collaboration in cancer care

- Expanding access to expert knowledge and support for individuals affected by cancer, including mental health care and multidisciplinary consultations
- Enhancing healthcare accessibility and cultural responsiveness for regional refugee communities
- Innovating training opportunities to promote equity in health services education
- Utilising cancer data to improve care, inform research, and enhance accessibility to health services

Lunch & networking

Optional: Tour of Peter MacCallum Cancer Centre

Session 3: Collaboration opportunities

To explore how the ACCN can be leveraged to enhance implementation opportunities

- Expanding equitable cancer care through innovative technology and networked approaches, ensuring better access for regional and rural communities
- Strengthening nationwide collaboration to address disparities in cancer treatment and outcomes, with a focus on inclusivity and responsiveness
- ACCN Committee members Q&A panel session

Thank you and close of event

Optional: Tour of Peter MacCallum Cancer Centre
