Summary Totals (explainer)

Summary

In this section you are required to review and confirm the summary totals for your entity's **2024-25** Legal Services Expenditure Report.

Summary Totals

The Summary Totals are calculated based on what you entered in the Entry Form.

Total Legal Services Expenditure = Internal + External Legal Services Expenditure

Internal Legal Services Expenditure = Internal Legal Services Expenditure

External Legal Services Expenditure = Counsel Fees + Disbursements + Professional Fees (calculated from the total value of expenditure against each provider entered in the Professional Fees section)

Expenditure comparison

Your entity's total legal services expenditure for **2024-25** is displayed below and compared with your entity's expenditure from the previous financial year. This allows you to see the difference in expenditure, which will help inform your commentary.

Entities that have not reported before because they are new or been the subject of Machinery of Government changes that substantially changed the entity will display '0' expenditure for the previous financial year.

Commentary

Commentary is mandatory to complete.

This information allows your entity the chance to ensure that AGD can understand trends and habits of legal expenditure within the Commonwealth to maintain the scope of the Whole of Australian Government Legal Services Panel and provide insights to the needs of the Commonwealth in the future.
